

TEENAGE MUTANT NINJA TURTLES®

MONSTER TRAPPER LEO

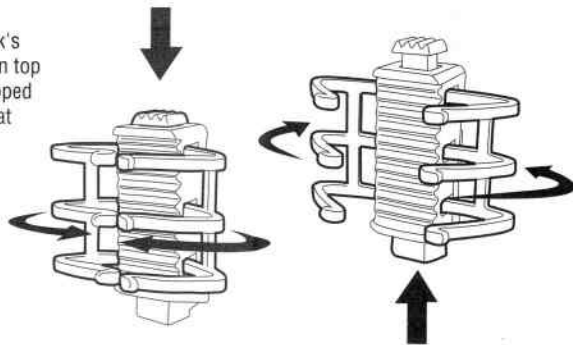

1. Time to catch some critters!
First, snap Leo's Claw Cage Backpack onto his modified back shell.

2. Next, arm Leo's Spear Net Nullifier Launcher by inserting both ends of the Net Nullifier into the holes on the Launcher. You are now set to fire at and nullify all monsters!

3. Finally, place your captured critter inside the Claw Cage Backpack, closing and locking the Backpack's holding bars by pushing down on top button. (You can release the trapped monster by pressing the button at the base of the pack.)
