

**nickelodeon™**  
**TEENAGE MUTANT NINJA**  
**TURTLES™**

**MUTAGEN**  
**Ooze Figure**

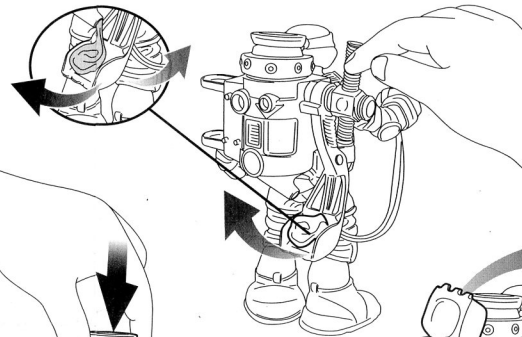

1. Snap backpack into back of figure as shown.

2. Remove the plunger from the backpack and hand load a small amount of Ooze\* in the canister as shown.

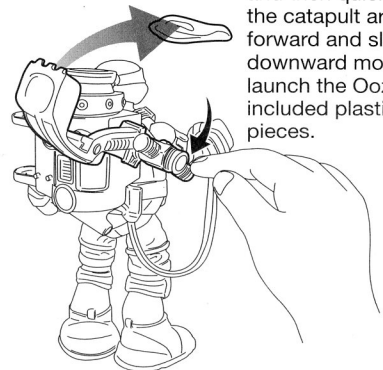

3. Replace the plunger and push the plunger down slowly until a pea size amount of Ooze\* is loaded into the catapult scoop. You can also place one of the included plastic ooze pieces in the scoop if Ooze\* compound is unavailable.

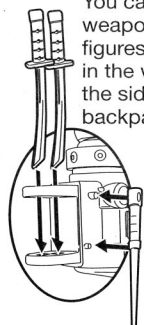

4. Slowly lift the edge of the catapult scoop along the end of the spout to separate the Ooze\* in the scoop from the backpack.

5. Lower catapult fully and then quickly flick the catapult arm in a forward and slightly downward motion to launch the Ooze\* or included plastic ooze pieces.

You can carry Turtles' weapons from other figures (sold separately) in the weapons rack on the side of the Ooze backpack.

The pick can be stored on the side of the backpack by connecting it to the post in the area shown.

After use, it is recommended to clean the Ooze spout with the included pick.

\*Ooze sold separately.
