## **Krang's Android Body:<sup>™</sup> The Bad Brain with Body Armor!**

When the bodiless bad brain Krang needs to get and crush a few Turtles, he slips inside his one-and-only android body. Equipped with a shell shearin' attachable cranium claw and a dude dissolvin' android laser blaster, Krang's Android Body is one mean Mutant mulchin' machine. Krang may be all brains, but with this indestructible deluxe android body, he's got the brawn necessary to challenge the Turtles head on. Powered by a sewer cooled nuclear generator from Dimension X, Krang's Android Body can smash, bash and demolish it's way through anything—or anyone, including the four Turtle dudes in attack formation!—and he's not afraid to use it!
