**Robotic Foot Soldier:
The Tin Can Clan Man**

He's the Robotic Foot Soldier and he's power-plated for poundin' and pulverizin'! The Turtle Teens best run fast, 'cuz this tin can man won't stop till every Turtle is stuck to the bottom of his shiny new shoes. Protected by Turtle-tenderizin' titanium steel, the Robotic Foot Soldier has nothing to fear – especially since he's not programmed for fear. Using his master program to manipulate his Turtle slammin' tools with the skill of a ninja soldier and the brute force of a malicious machine, the Robotic Foot Soldier hunts for anything with a hard shell. There's no stoppin' him, there's no reasoning with him, he's a cold heartless machine and he's programmed for total Turtle destruction! Whoa, dude! This could be serious!
