**Shogun April:
The Martial Arts News Reporter**

She's in command. She's Shogun April. And she knows how to handle more than a news feature. Shogun April's got the gift of a spirited star reporter. And she's been through the most rigorous battle training--mastering the metallized Mutant weapons of the Shogun. The sleek, sharp Shogun sai, the breath-breakin' Shogun staff, each forged from Shogun steel, provides protection of the highest caliber. And now, this martial arts ma'am meets every dangerous situation head-on. When the tide turns to total terror, Shogun April whips out her trusty metallized long steel sword. Once the Foot clan sees the glint of steel, Shogun April knows she's got the upper cut! If any of Shredder's stooges get in her way, Shogun April won't think twice--'cuz she's used to late breakin' action!
