**Bride of
Frankenstein April:**

The Nuts in her Neck Newshound!

She's alive—and she's goin' to the chapel! It's Bride of Frankenstein April, the monstrous mate with the tall hair. She's shocked full of life and ready to go down the aisle. Nothing will stop her! Not even the Foot, who are notorious for crashin' weddings! A squirt of scare away hair spray keeps her hairdo in tact and chokes a few Foot fools along the way! She can clear a path with her nasty Ninja fright star; one stick and it's stuck for good! Then, if her dear doctor Frankenstein doesn't get cold feet, she'll fire up the creepy cracked camera, throw the electrode power switch and bring her wedding to life!
