

TEENAGE MUTANT NINJA TURTLES®

Farmin' has never been so easy with Farmer Donatello and his Modern Mutant Tractor! Here's how to get the chores done:

1. Swing the Roof back to expose the Cool Enclosed Cab as shown.
2. Place Farmer Donatello into the Tractor Seat through the side openings. Swing the Roof back down onto the Cab.
3. Attach Farmer Donatello's Detachable Far-out Farm Tools onto the fenders as shown. A simple snap is all it takes! Now Farmer Donatello's ready for farmin' fun!

NOTES:

The Modern Mutant Tractor works best rollin' on smooth, hard surfaces.
